

The Aero Club of South Africa Charter

The Aero Club of SA pro-actively promotes, protects and preserves all forms of sport and recreational aviation in South Africa. Through the participation of its Members, the Aero Club of SA has the following core objectives:

PROTECT AND PRESERVE

- By maintaining and upholding the rights and privileges of its members through the various disciplines of flight
- By preserving all forms of free flight and safeguarding our rights to share the South African Skies
- By monitoring and developing legislation through partnerships and in consultation with the authorities regarding the use of airspace, legislative requirements, aircraft registration and medical regulation to name but a few
- By protecting the rights of all members and sections from overbearing requirements or restrictions from Aviation Authorities and other bodies

ADMINISTER

- By collecting and managing membership information and subscriptions
- By carefully managing the finances to the benefit of all members
- By providing administrative services to the Divisions (Sections) in the Aero Club
- By facilitating insurance cover for members engaged in specific activities, air show events and the Technical Approved Persons Scheme

The Aero Club of South Africa Charter

RECOGNISE CONTESTS AND INTERNATIONAL COMPETITION

- By being the custodian of aviation records and achievements
- By being the National Federation for Sport Aviation in South Africa aligned with SASCOC (South African Sports Confederation and Olympic Committee) and SRSA (Sport and Recreational South Africa) National Requirements
- By participating as Team-South Africa and award national colours in line with national sporting policies
- By facilitating the hosting of competitions by securing airspace, facility planning and general event planning.
- By hosting National and International recognised events in line with the Fédération Aéronautique Internationale (FAI) standards and codes.
- By maintaining the South African membership of FAI and represent South Africa proudly on the international stage

PROMOTE AND GROW SPORT AND RECREATION AVIATION

- By encouraging the hosting of events, and by co-ordinating single and multi disciplinary activities
- By creating awareness of aviation safety through mutual coordination of Aviation Institutions and Authorities
- By designing initiatives to focus on the development and transformation of Sport Aviation
- By acknowledging of the efforts of those members who contribute to the promotion of Sport Aviation
